Dynabook Expands Education Portfolio with Addition of Affordable, Student-Ready 11.6-inch Laptops

Ideal for Remote and Hybrid Learning Environments New Dynabook E10-S Enlists Intel® Processors and Windows 10 Pro Education

IRVINE, Calif., – March 18, 2021 – [Dynabook Americas, Inc.](https://www.dynabook.com), a leading provider of professional-grade laptops, today announced a new addition to its education-focused mobile computing portfolio - the [Dynabook E10-S](https://www.dynabook.com). This new, affordably-priced, student-ready 11.6-inch Windows 10 Pro laptop is designed for remote and hybrid learning, with availability in the second quarter of 2021.

“The Dynabook E10 is the perfect addition to our portfolio of education-focused laptops and at 11.6-inches it is ideal for the ever-evolving needs of modern learning, and it offers affordability without compromising the Windows 10 experience,” said Philip Osako, vice president, marketing and engineering, Dynabook Americas, Inc.

Weighing in at 2.5 pounds¹ (1.15 kg) and just 0.78 inches (19.9 mm) thin, the compact and lightweight Dynabook E10 is built with a sleek, slip-resistant design and is fortified with protective rubber bumpers and reinforced 180-degree hinges to help withstand accidental drops of up to 30 inches. The laptop also features a full-sized, spill-resistant keyboard with mechanically-anchored keys and a multi-touch ClickPad, that together provides a productive and durable learning platform.

The Dynabook E10 is equipped with an Intel® Celeron® N4020 processor, Intel® UHD Graphics, 4GB of DDR4 memory and 128GB of solid-state storage. This collection of technology ensures that educational applications load faster, content streams smoother and schoolwork is stored safely. In addition to the 11.6-inch, anti-glare, HD display, the Dynabook E10 delivers 802.11ac Wi-Fi®, an HD webcam, stereo speakers, headphone jack and dual beam-forming microphones with noise suppression, allowing students to learn and collaborate with their classmates face-to-face, even when not in the classroom.

As a Windows 10 Pro Education-based laptop, the Dynabook E10 offers students access to a robust set of powerful tools that will help them conquer all subject matters. Additionally, the Windows platform boasts flexibility to access a vast variety of online and offline education applications.

To maximize the laptop for hybrid learning scenarios, the Dynabook E10 is equipped with a variety of full-size ports for HDMI®, USB and LAN, and is equipped with Bluetooth connectivity. Additionally, the laptop features a USB-C® port that allows students to connect a display, attach a variety of modern accessories and charge the laptop or other peripherals. The Dynabook E10 features a high-capacity battery for long-lasting battery life on a single charge.

Dynabook will offer multiple configurations of the Dynabook E10 with pricing starting at \$289.99 (MSRP) and include the Dynabook One-Year Standard Warranty. The Dynabook E10-S will be available at us.dynabook.com or from Dynabook's network of resellers.
