DYNABOOK PARTNER PROGRAM – “FIRST” PURCHASE ORDER REBATE BENEFIT RATE
DISTRIBUTOR CHANNEL COMMUNICATION**

OVERVIEW

We are proud to announce the Dynabook Partner Program – First Purchase Order Rebate Benefit Rate available on select laptop and accessories. With Authorized Distributor’s participation, approved Dynabook Partner Program “Silver” Membership Level Resellers (“DPP Resellers”) will be eligible to receive the stated front-end rebate discount on their “First” laptop and/or accessory purchase order. Rebate Benefit calculation is determined by the standard Dynabook pricing (PC1) at the time of DPP Reseller’s First order purchase from Authorized Distributor multiplied by the applicable Rebate Benefit Rate shown below.

ELIGIBILITY

(1) DPP Reseller must purchase Dynabook laptops and/or accessories from an Authorized Distributor, (2) DPP Reseller must be authorized to purchase the ELIGIBLE PRODUCTS (see below) on the date of the purchase from Authorized Distributor, (3) DPP Reseller must not have purchased a Dynabook laptop and/or accessory from an Authorized Distributor within the last 180 days from the date of current purchase, and (4) Authorized Distributor must report the DPP Reseller purchase using a Dynabook approved reporting method. Any DPP Reseller listed as a “Silver” Membership Level on Dynabook’s official Partner Program Registration file on the date of purchase will be deemed to be authorized to purchase the ELIGIBLE PRODUCTS from Authorized Distributor on such date. The Registration file is communicated to Authorized Distributor on a daily basis and it is Authorized Distributor’s responsibility to confirm DPP Reseller’s authorization prior to applying the Rebate Benefit for any transaction. This Rebate Benefit offer is valid and may be combined with any other Dynabook Partner Program Products & Membership Level Rebate Benefits.

BENEFIT RATE DISBURSEMENT

Authorized Distributor must compute and apply the front-end Rebate Benefit to any applicable DPP Reseller transaction at time of purchase. At the end of each month, Dynabook will utilize EDI sales-out reporting to audit Authorized Distributor’s sales totals (units sold out net of returns). To participate in this Program, Authorized Distributor must submit weekly sales out reporting to Dynabook. Any alternative method of sales-out reporting must be approved by Dynabook’s finance department prior to participation in this Program. Upon Dynabook’s verification of Authorized Distributor’s sales information and reports and the receipt of an appropriate claim, rebate amounts will be calculated, verified, and issued by credit memo to Authorized Distributor. Debits or “invoice offsets” may not be taken in advance.
