- Spill-Resistant
- Dual Pointing
- Fingerprint Reader
- 720p High-Definition Webcam
- TPM security
- Dual-Microphones
- Removable Battery
- Long Battery Life Rating

WHY IT WINS

FULL-FEATURED PERFORMANCE, MODERN PRODUCTIVITY

The Tecra A50 is powered by an Intel® Core™ processor and high-speed DDR4 memory to provide enhanced productivity and performance scaling for demanding workloads.

MASTERING THE MODERN HYBRID WORKPLACE

Beyond its go-anywhere portability and unrelenting security, the Tecra A50 fosters a collaborative modern workplace with its HD webcam, dual microphones, and powerful stereo speakers with DTS audio enhancement.

PLUG-IN TO A WORLD OF POSSIBILITIES

The Tecra A50 features a USB-Type C™ port, allowing for flexible data, video and power delivery. To further boost its capabilities, the USB-C port can be connected to an optional docking station that seamlessly connects multiple external displays, as well as a variety of other USB and USB-C accessories with one single cable connection.

DESIGNED TO CONNECT

Beyond its ultra-flexible, ultrafast USB-C™ port, the Tecra A50 features a variety of full-size ports, including HDMI®, Gigabit LAN and three USB ports giving users the flexibility to easily connect.

BACKED BY THE BEST WARRANTY IN THE BUSINESS

The Tecra A50 comes standard with Dynabook's +Care ServiceSM Warranty with On-site service (3 years for featured configurations, 4 years for build-to-order configurations). +Care Service warranties help businesses reduce IT costs by minimizing laptop downtime.
