

SLEEK, VERSATILE, MODERN & POWERFUL

Weighing in at less than 1 kilogram¹, the gravity defying Portégé X30W is a heavyweight in performance and features. This ultrathin 2-in-1 convertible laptop provides the premium benefits of a laptop with the agility of a tablet.

WHO'S IT FOR?

Offering five different usage modes, the Portégé X30W-J is the ultimate 2-in-1 convertible laptop for mobile professionals needing the functionality of a traditional laptop and the versatility of a tablet with digital inking.

WHY WAS IT CREATED?

One of the first ultra-light, multi-function laptops to offer the new Intel® Evo™ vPro® Platform, the Portégé X30W, delivers boundry-breaking laptop performance with the convenience of a tablet.

- Webcam Privacy Shutter
- 8MP World-Facing Camera
- Dual-Microphones
- Harman Kardon speakers
- Dolby Atmos
- TPM Security
- Secured-core PC
- Narrow Bezel Design
- 53 Wh Battery

WHY IT WINS

GRAVITY DEFYING 13-INCH, INTEL EVO CONVERTIBLE LAPTOP UNDER 1 KILOGRAM

Weighing less than 1 kilogram¹, the Portégé X30W is a gravity-defying 13-inch 2-in-1 convertible laptop designed on the new Intel® Evo™ Platform. Designed for the ultimate productivity, the Portégé X30W delivers the best of both a premium laptop and full performance tablet housed in a super-thin, magnesium alloy design for added durability.

LIMITLESS PERFORMANCE FOR UNPARALLELED PRODUCTIVITY

One of the first Intel® Evo® Platforms, the Portégé X30W is powered by the 11th Gen Intel® Core™ processor delivering a massive performance boost and enhanced efficiency afforded by Intel's new processor architecture. The Intel® Iris® X® graphics engine offers unprecedented visual performance, immersive collaboration and enhanced content creation.

TESTED TO MILITARY STANDARDS FOR EXTREME DURABILITY

With its high-strength magnesium alloy chassis and Corning® Gorilla® Glass NBT®, the Portégé X30W is engineered to pass MIL-STD-810G standard testing methodologies for strength and durability. Dynabook also conducts an array of extreme tests on the hinge, keyboard and ports. The Portégé X30W is built to last.

ONE SOLUTION, FIVE MODES

The Portégé X30W features a stabilizing dual-action hinge, enabling smooth transitions into five core viewing modes—Laptop, Tablet, Tabletop, Presentation and Audience. There's no need to carry multiple devices. Get it all done with one.

AMAZINGLY NATURAL HANDWRITING

The Portégé X30W comes with a 13.3-inch, 10-point touch-enabled IGZO display producing crisp and clear images. When paired with Dynabook's exclusive TruPen® incorporating Wacom® Feel Technologies®, it also affords an exceptional digital handwriting experience enhanced by an anti-glare coating. The TruPen® detects 4,096 levels of pressure, giving users a natural pen-on-paper writing experience, making the Portégé X30W perfect for taking notes, drawing, capturing signatures, completing forms and more.
