HOW IT WORKS*

1. Enroll in the Dynabook Partner Program (DPP).
2. The authorized distributor will verify that the Silver member has not purchased Dynabook products in the previous 180 days.
3. If eligible, Rebate Benefit calculation is determined by the standard Dynabook pricing (PC1) at the time of DPP Reseller's purchase from the authorized distributor multiplied by the Rebate Benefit Rate.
4. First Purchase Rebates are stackable with the Membership Level Rebates.
