PORTÉGÉ® X40L-K

The Portege® X40L-K from Dynamabook takes premium, high-performance computing to new extremes. To call this stylish, featherlight, Intel® Evo™ platform laptop powerful is an understatement. Powered by new hybrid-architecture 12th Gen Intel® Core™ processors, up to 32GB of LPDDR5 memory and Wi-Fi 6E, this laptop delivers unprecedented performance and battery life. The 14-inch Eyesafe® 16:10 IPS display, four-speaker Dolby Atmos® audio system, and HD webcam with 360-degree microphones foster unplugged collaboration and productivity.

PORTÉGÉ® X40L-K

Processor

Configurable with ultra-powerful and highly efficient 12th Gen Intel® Core™ processors and Intel® Iris® Xe graphics, the Portégé® X40L-K delivers the industry-leading speed, visuals, security, and enhanced connectivity features demanded by modern businesses.

Operating System

The Portégé X40L-K can be pre-configured with either Windows 10 Pro or Windows 11 Pro, two of the most widely utilized and secure computer operating systems for businesses. Windows 11 Pro provides enhanced productivity features that deliver users a more personalized and intuitive user experience. Built on the consistent and compatible Windows 10 foundation, Windows 11 can be managed with familiar tools and processes.

Storage

Premium business laptops shouldn't just be powerful, but reliable too. That is why the Portégé X40L-K comes standard with ultra-fast and reliable SSD storage.

Audio

Doubling down on sound, the new Portégé X40L-K features a premium, four-speaker Dolby Atmos® audio system tuned to deliver a premium listening experience with an elevated soundstage for movies, music and games.

Docking

For maximized workspace productivity, Dynabook offers docking solutions that charge your laptop, support up to four external 4K displays and connect several USB-A accessories with a single-wire connection.

Input Devices

Equipped with premium full-sized, raised tile, backlit keyboard the Portégé X40L-K offers a satisfying typing experience. The large ClickPad provides 14.5 square inches of surface area for comfortable desktop navigation.

Uncompromising Performance and Next Level Efficiency

With full-performance 12th Gen Intel® Core™ processor options, the Portégé® X40L-K benefits from the massive performance boost and enhanced efficiency afforded by Intel's all-new hybrid architecture. Configurable to up to 32GB of LPDDR5 and reinforced with ultra-fast SSD storage, Wi-Fi 6E and Thunderbolt™ 4, the Portégé X40L-K delivers uncompromising performance.

The Lightest 14-Inch Laptop We've Ever Created

Featuring an all new, elegant Tech Blue magnesium alloy chassis engineered to meet stringent MIL-STD-810H standards for durability. Starting at 2.3 pounds¹ and measuring in at 15.9mm (0.625-inches) thin, the Portégé X40L-K easily goes anywhere without weighing you down. Housing a large, 14-inch ultra-thin bezel display, premium raised-tile backlit keyboard and large ClickPad, the Portégé X40L-K takes exceptional to new extremes.

Connect at a New Level

Beyond its ultrafast Thunderbolt™ 4 ports, the Portégé X40L-K features a mix of full-size ports, including HDMI® and USB-A (with Sleep & Charge) for seamless, adapter-free wired connectivity. To maximize the benefits of Thunderbolt 4, Dynabook offers docking solutions that seamlessly connect multiple external displays, as well as a variety of other USB and USB-C® accessories with a single cable connection.

A More Comfortable Viewing Experience

For those who put in long hours in front of a screen, the 14-inch Portégé X40L-K features an all-new Eyesafe® 16:10 IPS 1920x1200 display. Developed in conjunction with doctors, Eyesafe technology selectively filters out high energy visible (HEV) blue light while maintaining crisp and vivid color performance to reduce the impact on the eyes.

Security Taken Seriously

The Dynabook Portégé X40L-K is among the most secure Windows PCs in the world. Featuring a secure mix of hardware, firmware, software, and identity protection technologies, it is suitable for mission critical users in even the most data-sensitive industries. Dynabook writes its own BIOS, providing an incredibly secure foundation. Further bolstering security, this laptop features face and fingerprint biometric recognition options and an integrated webcam privacy shutter.

AI-Enhanced Camera Features

Fostering a collaborative workspace, Dynabook Online Meeting Assist utilizes AI to ensure faces are bright and visible in a wide spectrum of lighting conditions, blur backgrounds and automatically keep the users face centered in frame. Since these enhancements are built into our software, users can easily turn on and off these features with a quick hotkey with any video conference software.

Advanced Noise Reduction

360-degree dual-array microphones allow voices to be picked up omnidirectionally with equal gain from all directions giving the user the ability to roam freely around a room or to serve as the hub for multi-person conference calls. Improving overall call quality, the AI Noise Reduction isolates and filters out background noises at near and far ends of calls to ensure participants can be heard clearly and effortlessly.

Robust Battery Life

The Portégé X40L-K features a large 65 Wh battery that provides enough power to last well beyond the typical workday³. When not in use, Sleep & Charge technology keeps a USB port powered, allowing the laptop to charge a smartphone and other accessories.

+Care Service® Warranty with On-Site

The Portégé® X40L-K includes a Dynabook +Care Service® Warranty² with On-Site that provides three years of on-site service standard for featured configurations and four years of on-site service for Build-to-Order configurations. With additional access to an extensive service and support network, Dynabook +Care Service Warranty with On-Site helps businesses minimize downtime and reduce IT costs.
