

Formerly TOSHIBA PC Company

Photo Library

Unstoppable is in our DNA.
Dynamic is in everything we do.

April 2022

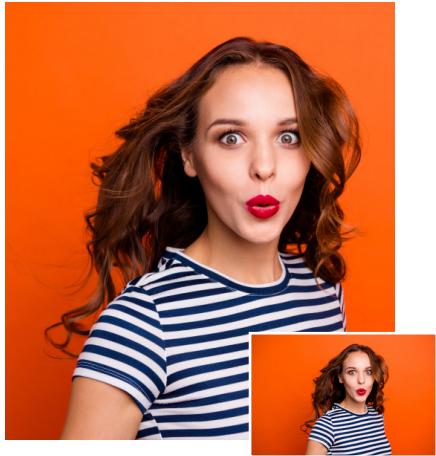

The Dynabook photo library showcases brand color scheme, photography style, and suggested usage. Thumbnails are provided to portray full frame of image. Our central focus is on excited and engaged human emotion. Dynabook product is featured as the tool that delivers this enthusiastic response. Images are grouped by audience category, but many are cross functional. To ensure consistency across every channel and communication touchpoint, share this Photo Library with anyone who creates imagery for our brand.
