

DEMO DISCOUNT PROGRAM

Demonstrate legendary Dynabook quality and innovation with a big discount off the MSRP on up to three (3) of our industry-leading laptops per calendar year.

HOW IT WORKS*

1. As a Dynabook Partner Program (DPP) member, you must purchase Dynabook laptops from an authorized distributor.
2. Identify up to three (3) laptops you are purchasing as Demo Discount units and notify your distributor sales rep at time of purchase.
3. The up to 25% off MSRP discount depends on your Membership Level within the DPP and discount will be given at time of purchase for up to three (3) laptops.
4. Demo laptops must be purchased at the same time on the same order.
5. The Demo Discount Program cannot be combined with any other Dynabook or channel discounts or rebates unless otherwise agreed by Dynabook in writing.
