

# DYNABOOK DEBIT CARD REWARDS

SPIFs are now being delivered directly to you via Dynabook-branded debit cards. Additionally, these debit cards are reloaded by Dynabook every time you earn a new reward, and it applies to all three membership levels.

## HOW IT WORKS\*

1. Reseller Sales Rep must claim the reward using the Dynabook Partner Program (DPP) Online Claim Form.
2. Once submitted, claims will be verified and managed by the DPP Admin Team, available for contact at [admin@dynabookpp.com](mailto:admin@dynabookpp.com).
3. Claims will be matched with monthly sales reports and awarded directly via corporate reloadable Visa Award Cards.
4. Once a sale is claimed, no further claims will be allowed on that sales transaction, thus providing protection against multiple claims for a single sale.
