Long Description ~ 170 Words

Powered to get work done from anywhere, the Satellite Pro™ C40-K from Dynabook delivers the uncompromising productivity, portability, and value needed for today's << hybrid workplace / hybrid learning >>. With powerful 12th Gen Intel® Core™ processors, a 14-inch display, and battery life to last beyond the workday, this Windows 11 laptop breezes through demanding tasks with power to spare. Budget friendly and packed with features, the Satellite Pro C40-K has mastered mobility. Measuring under 19mm thin and starting at 3.04 pounds² (1.38 kgs) this stylish laptop easily goes anywhere, while its ultra-fast Wi-Fi®, variety of ports, and microSD™ card slot creates a clutter- and adapter-free workspace. A webcam with privacy shutter, dual-array TruTalk™ microphones, stereo speakers, video conferencing function keys and AI-enhanced noise reduction work together to support highly collaborative conference calls. Travel friendly, this laptop's durable polycarbonate chassis is resilient, while an IONPURE® IPL³ coating keeps things clean by helping inhibit microbial growth. Ensuring worry-free reliability, the Satellite Pro C40-K is backed by Dynabook's +Care Service® Warranty with On-site¹.

Feature Vignettes

A VALUABLE MIX OF POWER AND EFFICIENCY

Offering new hybrid architecture 12th Gen Intel® Core™ processors, and up to 32GB of memory, the Satellite Pro™ C40-K offers an ideal mix of power and efficiency for <<modern businesses / educators and students>>.

MORE LAPTOP WITH LESS SPACE

Now lighter and more compact than ever, the Satellite Pro™ C40-K packs a productivity-enhancing workspace, complete with a narrow-bezel 14-inch display, full-size keyboard and large ClickPad, tons of ports and more into a footprint similar to a 13-inch laptop.

MAINTAINS A CLEANER WORK SURFACE

The Satellite Pro™ C40-K boasts a stylish dark blue chassis that is lightweight, durable and coated with an EPA-approved antimicrobial paint additive called IONPURE® IPL³ to help inhibit microbial growth.

COLLABORATION COMES NATURALLY

Ideally equipped for collaboration, the Satellite Pro™ C40-K features a webcam with privacy shutter, dual microphones, stereo speakers, and dedicated video conferencing function keys. Headsets can be plugged in or connected wirelessly over Bluetooth®, and Realtek® AI audio processing isolates and filters out background noises at the near and far end of calls to ensure all participants can be heard clearly and effortlessly.

SECURITY TAKEN SERIOUSLY

Fortified against firmware and ransomware attacks, this laptop features firmware TPM (fTPM) 2.0 to secure hardware through cryptographic keys and helps bolster security. A security lock slot engineered into the chassis adds a layer of hardware theft prevention. Optional face and/or fingerprint biometrics make logging in and authenticating with encrypted passwords a breeze.

PORTS, PORTS AND MORE PORTS

Ideal for the modern mobile professional, the Satellite Pro™ C40-K packs HDMI®, Gigabit LAN, 3.5mm audio, USB-C® and USB-A ports, and a microSD™ card slot for a clean, adapter-free workspace.

PROVEN RELIABILITY WITH THE BEST-IN-CLASS WARRANTY IN THE BUSINESS

The Satellite Pro™ C40-K is backed by Dynabook's proven reliability and comes standard with Dynabook's +Care Service® Warranty with On-site¹. This best-in-class warranty helps <<businesses / school or districts>> reduce IT costs and minimize laptop downtime by offering flexible and convenient repair options in the rare case a laptop experiences a failure.

Gallery Features

Processor

With 12th Gen Intel® Core™ processor options, the Satellite Pro™ C40-K benefits from the massive performance boost and enhanced efficiency afforded by Intel's all-new hybrid architecture mobile processors.

Operating System

The Satellite Pro™ C40-K can be pre-configured with either Windows 10 Pro or Windows 11 Pro, two of the most widely utilized and secure computer operating systems for <<businesses/ education>>. Windows 11 Pro provides enhanced productivity features that deliver users a more personalized and intuitive user experience. Built on the consistent and compatible Windows 10 foundation, Windows 11 can be managed with familiar tools and processes.

Display

The Satellite Pro™ C40-K features a vibrant 14-inch display that delivers crisp and clear visuals both inside and outside.

Audio

Great for videoconferencing, consuming content, and more, the integrated stereo speakers produce clear, intelligible audio, while the dual microphone array is designed to focus on your voice. Realtek® AI audio processing isolates and filters out background noises at the near and far end of calls to ensure all participants can be heard clearly and effortlessly.

Connections

The Satellite Pro™ C40-K is equipped with all the ports most professionals need for work, including HDMI® output, two USB Type-A, a USB Type-C®, Gigabit LAN, a 3.5mm audio jack and a microSD™ card slot. Bluetooth® allows for simple, wireless connections to modern headsets and peripherals.

Docking

Packing a healthy selection of ports for displays, data sharing, and power, Dynabook offers single-cable USB-C® docking solutions that can connect up to three external displays.

1. **+Care Service Warranty® with On-Site.** Dynabook's standard limited warranty terms and limitations apply. Visit <https://support.dynabook.com/warranty> for details.
2. **Weight.** Weight may vary depending on product configuration, vendor components, manufacturing variability and options selected.
3. **Antimicrobial.** IONPURE® IPL (EPA Reg. No. 731148-3) is an EPA-approved antimicrobial substance designed to be incorporated into various materials to help them inhibit the growth of bacteria. IONPURE IPL is incorporated into the paint applied to the Dynabook lid cover, palm rest, display bezel and bottom casing. The antimicrobial properties do not protect users or others against bacteria or other disease organisms.
